This cigar might look familiar to a few of you wise guys. The CAO Consigliere is the same cigar that was released several years ago with the same name as a hit TV series on HBO.

This release still uses that iconic look but with a different name. The CAO Consigliere is the original blend. Using a Brazilian Mata Fina wrapper, this cigar is dark and oily.

The binder is from Honduras and the filler is comprised of Nicaraguan, Dominican, and Columbian tobaccos. The CAO Consigliere is a killer cigar just like the original release.
